File No. AFD 367 DST 58

Department of

Section

Subject:

Request of the villagers of Kosanapura and Jogannahalli, Malavalli Taluk for grant of lands in S. No. 299 of Dhanagur Forest

References:

Date	To whom sent	Notes and instructions

AFD 367 DST 58. 3

1) D.No. 12991,

2) Villagers of Halgur, Konnapur and Jogamhalli of Halgur Hobli. Dist. Mandya, in their application dated 28.11.58, addressed to the Minister for Agriculture have requested for grant of forest land to them, since they have no land of their own & requests that at least 5 acres of land may be given to all the persons for their livlihood. They have been applying for land since for the last 8 to 10 years.

3) " I would like to visit the spot after L.A. Session. In the meanwhile report from c.c.f may be called."

M. Agr.
28/11

4) Letter to the c.c.f calling for report is put up for approval.

5) After issue, if approved, these papers may be marked to Personal Secy to M.Agr, for noting the minutes of M.Agr.

File No. AFD 367 DST 58. of 195 . [App. F. III 2

(c) slip 'I' of 11/c ... AFD 313 FAD 59 placed below.

Serial No.	
22	M (F & T) visited on 23-5-59 Dhaagur State forest and inspected (3) 3 plots of land namely:- (i) Dabballi — S.No. 76 consisting of 50 to 80 acres. (ii) Dhaagur — S.No. 299 — " — About 100 acres and (iii) Halasalli. S.No. 93 — " — About 100 acres
23	In para 21 prepage M (F&T) has minuted that this area may be released.
24	But in his letter no. B3-234-2162/58 dt 3-9-59, the CCF says that S.No. 76 of Dabbaaahalli is included in the zone earmarked for Shoomsha Development and consists of dense growth of Sandal. In view of this he says it is not advisable to release this.
25	It is now submitted, whether it is the intention of Govt that the lands and the extent, referred to at para 22 above should be released or all except S.No. 76 of Dabbaaahally as stated by the CCF., may kindly be submitted to the M (F&T) for orders.
26	Please see the letters from the Chief Conservator of Forests and C.F. Coorg at pages 13 and 15 Cf respectively as also the sketch showing the forest areas - at Flag I. This

'A' of 13/c of AFD 245 FGL 59 placed below

[initials] 19/4/60.

te.-Contn. Sheet

Serial No.

has reference to notes of the Minister at para 21. In view of the orders therein there cannot be any further question whether these areas can become irrigable or not. The only point for decision now is which of the Forest areas are to be released. A

Firstly there is S.no. 76 containing about 50 to 80 acres of land. In view of the CCF's opinion that this contains heavy Sandal growth, and that this belt has been set apart for the Shimsha Project work and Electricity Board's concurrence may be necessary, it is suggested that this area may not be granted. However, since the Minister has seen the area he would be able to appreciate the report of the CCF better. 27

Next comes the question of releasing S.nos. 93 and 299 comprising of a total area of about 200 acres. The only objection of CCF in releasing these lands is that after all the Hebballa Pickup Canal may not supply any water to these 28

Mysore Government Secretariat

File No. 367 DST of 1958.

[App. F. III 2

9

Serial No.

areas. In view of 'A' in para 26, this will no longer be a consideration. Subject to approval, we may release these areas as already ordered in Para 21. Here I have a suggestion to offer: As I see from the sketch the two compartments forming S.no 93 and 299 have an irregular outline and between them enclose a strip of forest land. If these two S.nos are given separately protection of the strip in between would not be possible. There is also the possibility of encroachments on the forest lands by persons occupying cultivated lands. In view of this and in order to see that the Society gets a fairly compact block, it would be

A better to grant an area of as marked out by me in the sketch (Blue) so as to make about 200 acres.

29 However pps are submitted for orders.

File No. AFD 367 DST 58

Dt 23/5/60

Proceedings of the Government of Mysore

Read— 1. ~~Report No.B3.234-2162/58 dated~~ 3-9-59 from the Chief Conservator of Forests in Mysore, Bangalore.

2. Spot inspection of the area under reference by the Hon'ble Minister for Forests & Transport on 23-5-59.

3. Petitions from the residents (Harijans) of Dhanagur, Konnapura, Oddaradoddi, ~~Jeevanahally, Halagur, Benamanahalli,~~ Halasahally and Gollarahally. All villages of Mandya District, praying for grant of lands.

May this be—
(i) printed?
(ii) treated as a Standing Order?
(iii) published in the Gazette, English Part?
(iv) translated?
(v) placed at the disposal of the Press?
(vi) published in the Gazette, Kannada Part?

Order thereon.—No. Govt have received several petitions from the Harijan residents of certain villages in Mandya Dist for grant of lands. The Chief Conservator of Forests when consulted in the matter states that the plots in S.No.299 of Dhangur and 93 of Halasahalli are asked for release by the applicants for wet cultivation on the ground that the area may be benefited by the Hebhalla pick-up channel which has now been brought up to the D'line of the state forest in S.No. 93 and that the question of its release may be considered when wáter is made available to irrigate these areas by extending the channel etc., ~~even if it is not known as yet whether it is irrigable or not, there cannot be any further question but to release~~

~~the land for cultivation and there~~

2. It is seen from the sketch appended herewith that the two compartments forming S.Nos. viz., 93 and 299 have an irregular outline and between them enclose a strip of forest land. If these two S.Nos are given separately, protection of the strip in between would not be possible. There is also the possibility of encroachments on the forest lands by persons occupying cultivated lands. In view of this and in order that the Society gets a fairly compact block, it would be better to grant an area of 200 acres as marked in blue hatched lines.

3. Government ~~have examined at great length all~~ after a detailed examination of all the aspects of the question ~~that~~ feel that even if it is not known as yet whether ~~it~~ the land is irrigable or not, ~~there cannot be any further question but~~ in view of the incessant demands for land it would be better to release the land for cultivation and ~~therefore~~ accordingly directs that an extent of 200 acres of land as shown in blue hatched lines on the sketch enclosed ~~herewith~~, from out of the S.No.299 of Dhanagur and S.No.93 of Halasally, in Dhanagur State Forest, be disforested and surrendered to the Revenue Department for being granted to the villagers (applicants) mentioned in the preamble, subject to ~~the~~ such conditions ~~to~~ as may be stipulated by the Revenue Department.

The land ~~is also~~ is further granted ~~on condition~~ subject to the conditions that the applicants organise themselves into a Cooperative Farming Society and bring

List of Enclosures.

PROCEEDINGS OF THE GOVERNMENT OF MYSORE.

Sub:- Sanctions - Release of about 200 acres in Dhanagur State Forest in Mandya District, for Cooperative Farming.

AGRICULTURE & FOREST DEPARTMENT.

G.O.No. AFD 367 DST 58, Dated, Bangalore, 23 May 1960.

Read:-

1. Petitions from the residents (Harijans) of Dhanagur, Konnapura, Oddaradoddi, Jeevanahally, Halagur, Bonsmanahalli, Halasahalli and Gollarahally. All villages of Mandya District, praying for grant of lands.

2. Report No.B3.234-2162/58 dt.2-9-59 from the Chief Conservator of Forests in Mysore, Bangalore.

3. Spot inspection of the area under reference by the Hon'ble Minister for Forests & Transport on 23-6-59.

ORDER.

Government have received several petitions from the Harijan residents of certain villages in Mandya District for grant of lands.

The Chief Conservator of Forests when consulted in the matter states that the plots in S.No.299 of Dhangur and 93 of Halasahalli are asked for lease by the applicants for wet cultivation on the ground that the area will be benefited by the Hebhalla pick-up channel which has now been brought upto the 'B' line of the State Forest in S.No.93 and that the question of its release may be considered when water is made available to irrigate those areas by extending the channel etc.,

It is seen from the sketch appended herewith that the two compartments forming S.Nos.viz.,93 and 299 have an irregular outline and between them enclose a strip of forest land. If these two S.Nos. are given separately, protection of the strip in between would not be possible. There is also the possibility of encroachments on the forest lands by persons occupying cultivated lands. In view of this and in order that the Society gets a fairly compact block, it would be better to grant an area of 200 acres as marked in blue hatched lines.

Government after a detailed examination of all the aspects of the question feel that even if it is not known as yet whether the land is irrigable or not, in view of the incessant demands for land it would be better to release the land for cultivation and accordingly direct that an extent of 200 acres of land as shown in the blue hatched lines on the sketch enclosed from out of the S.No.299 of Dhanagur and S.No.93 of Halasally, in Dhanagur State Forest, be disforested and surrendered to the Revenue Department for being granted to the villagers (applicants) mentioned in the preamble, subject to such conditions as may be stipulated by the Revenue Department.

The land granted is further subject to the conditions that the applicants organise themselves into a Cooperative Farming Society and bring the land granted under cultivation, failing which the land will revert back to Government.

Government further direct that in considering the relative merits of each of the applicant, due regard should be given to the various Government Orders governing grants ~~and~~ of land and preference being given to the landless among the Scheduled Castes and Scheduled Tribes and thereafter others.
